AMENDMENT AND RESPONSE TO OFFICE ACTION

Sir:

In response to the Office Action mailed March 21, 1995, Applicant respectfully requests the Examiner to enter the following amendments and consider the following remarks.

Provisional Double Patenting Rejections

The Examiner has, on page 2 of the present Office Action, provisionally rejected Claims 1 and 35-46 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over Claims 1-15 of U.S. Patent No. 5,388,101. Applicant is submitting herewith a Terminal Disclaimer in accordance with 37 C.F.R. § 1.321(b), and in accordance with the Examiner's suggestions to overcome the provisional obviousness-type double patenting rejection covering Claims 1 and 35-46. Applicant wishes to thank the Examiner for the suggested changes to the Terminal Disclaimer.
